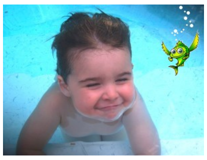
We star on infant aquatic instruction for infants and young children, ages 6 months to 6



There are many schools of thought regarding swim lessons for children: Should it be survival skills only?

This is v Swim, survival skills and fun are integrated along with water acclimation, breath

If you live in the NY/NJ area, please be aware that we are traveling to your state and we are there only for 6 week
NY/NJ students receive 5 private lessons per week, Monday - Friday, for 6 week

Stroke work will be introduced to select children a r's discretion and recommendation. Th
